About Me

Hello! I'm a professional website developer and graphic designer with over 5 years of experience in building beautiful, functional websites and applications. My journey in the digital world began with a fascination for how technology and creative design intersect to create meaningful user experiences.

WORK EXPERIENCE

Aug 2025 - present

Senior Frontend Developer

TechInnovate Solutions

- Architected and implemented a component library used across multiple projects
- Improved site performance by 40% through optimization techniques
- Mentored junior developers and conducted code reviews

2019 - 2022 Full-time

Graphic Designer & Developer

Creative Digital Agency

- Created wireframes, prototypes, and high-fidelity designs
- Implemented responsive designs using modern CSS techniques
- Conducted user testing and incorporated feedback into designs

2018 - 2020 Internship

Web Developer Intern

StartUp Tech

- Developed and maintained client websites
- Assisted senior developers with complex projects
- Participated in code reviews and team meetings
